WELCOME KENNEDY

I am MP's Scripps Howard Communication Intern, Kennedy Ruebusch. This semester I will be working closely with Krista Brown, communication manager, and the rest of the MP staff. I will be graduating from Northern Kentucky University in May with a bachelor's in communication studies and public relations. I was drawn to Master Provisions because I knew I wanted to explore the nonprofit sector; I have always enjoyed serving others. I am incredibly grateful I can work at MP, because I can work at MP, because I will have the opportunity to grow as a communication professional, and as a Christian.

BRACKETS FOR GOOD

MP is happy to be participating in Brackets from Good Cincinnati again this year. Every March, Brackets for Good hosts a single-elimination, bracket-style online fundraising tournaments across the country that raises much-needed funds and awareness for nonprofit organizations of all sizes. MP is grateful for your support last year; our wonderful donors ensured we made it to the Philanthropic Four! Be sure to support MP in the tournament this year. MP will be facing off again Holly Hill Child and Family Services, March 9-13. Each dollar you give via the Brackets for Good website is a point for MP. Go to <https://cincinnati.bfg.org> to learn more about the tournament and choose MP as your nonprofit when you donate.

PRAYER REPORT

MP sends a weekly prayer report via e-mail to MP staff, board members, volunteers, and others who want to join us in prayer. The prayer report is another way to pray and fellowship together and consists of an overview of our activities, our verse of the week, and the list of specific prayer needs. To be added to the prayer report or send a prayer request, contact Krista Brown at krista@masterprovisions.org.

DON'S RETIREMENT

Don Davisson has retired from the MP staff after 15 years. MP would like to thank Don for serving our team, and God faithfully throughout the years. In the beginning, Don worked with documentation and operations. He was always willing to tackle sorting projects and drive a forklift or a truck when needed. In his later years, Don continued to support our staff by leading us in prayer, making thank you calls and picking up donations. MP will miss Don as a staff member, but look forward to seeing him, as he plans to be an active volunteer.

God has given us two hands, one to receive with and the other to give with.
